6TH AMERICAN CONGRESS ON

FUTURE OF BIOLOGICS AND BIOSIMILARS

OCTOBER 01-02, 2026 | CHICAGO, USA

Theme: "Advancing Biologics and Biosimilars: Pioneering Access, Innovation, and Global Health Equity"

BIOL-BIOS 2026

SUB THEMES

- Advancements in Biologics Development
- Clinical Applications of Biologics and Biosimilars
- Biopharmaceutical Manufacturing and Quality Assurance
- Clinical Efficacy and Safety
- Biologics and Biosimilars in Oncology
- Regenerative Medicine and Stem Cell Therapies
- Patient Access and Affordability
- Personalized Medicine and Precision Biologics

WHY TO ATTEND?

What you take

Attending a biologics and biosimilars conference offers a unique opportunity to connect with leading professionals, explore emerging trends in biologics and biosimilars and gain insights into groundbreaking innovations. It plays a vital role in career development by enhancing clinical knowledge, expanding skill sets, and opening new doors for collaboration and advancement.

WHO SHOULD ATTEND?

PRESENTATION FORUM

01

KEYNOTE FORUM / MINI-PLenary SESSIONS

Presentations under Keynote Forum or Mini-Plenary Sessions includes abstracts with remarkable research value selected by the program committee. These significant speeches are delivered by globally recognized honorable speakers and it is open to all registrants.

DISTINGUISHED SPEAKERS FORUM (ORAL ABSTRACT SESSIONS)

In this forum, speakers and experts of the research field gets an opportunity to showcase their noble research work that involves comprehensive research findings. These formal oral presentations include a wide range of talks covering basic research to advanced research findings in accordance to the theme and scientific sessions of the conference.

02

03

STUDENT FORUM / POSTER SESSION

This session is particularly introduced to encourage more number of student participation at international conferences, however it is not restricted only to students since it is also available for the participants with language barrier. There are specific guidelines to be followed to prepare the poster. Poster topic should be selected only from relevant scientific sessions with in-depth technical details.

YOUNG INVESTIGATORS FORUM

An exclusive opportunity for students and young investigators to present their research work through a formal oral presentation. Young Investigators Forum provides a global platform for young researchers and scholars to showcase their valuable contribution to the scientific world and to get acknowledged by the global scientific community of experts. It is an excellent opportunity to recognize young scientific assets with promising research ideas. These oral presentations are of shorter time duration with 10-15 minutes of informative and precise presentations in relevant scientific sessions.

04

05

EDUCATIONAL WORKSHOPS/RESEARCH WORKSHOPS/ CORPORATE WORKSHOPS/MINI- SYMPOSIA

With an aim of transferring knowledge among the participants, workshops are introduced as a part of international conferences. These interactive and occasionally practical sessions gives an opportunity for participants to engage in detail discussion. Workshops are mostly scheduled for 60 to 90-minutes. It may range from learning about a specific topic relevant to international education, products and research which sometimes involves practical demonstration. It helps in enhancing skills, knowledge and understanding of the research field in depth through interactive discussions.

HIGHLIGHTS OF THE DAY SESSIONS

“Highlights of the Day Sessions” is introduced to discuss and focus a ray upon previous day ORAL ABSTRACT presentations by experts to summarise the key findings. It helps in getting better insights into the various dimensions of the topic.

0607

MEET THE PROFESSOR @ NETWORKING SESSIONS

This session involves open discussion between the experts and session attendees, it gives enough time for getting answers to specific questions and doubts. It is an opportunity for attendees to increase their professional networking, sometimes also leads to an excellent collaboration opportunity.

EDUCATIONAL SESSIONS/ TRAINING PROGRAMS

Educational Sessions or training programs are specifically designed for a better understanding of the latest findings and technologies. These are generally 45-minute sessions that gives an exposure to the multidisciplinary field, that provides in-depth learning experiences and address educational needs.

BIOL-BIOS 2026

CONCURRENT EDUCATIONAL SESSIONS

THURSDAY - OCTOBER 01, 2026

- Biological Medicine
- Biopharmaceutics of Biologics
- Biosimilar Medicines

- Biosimilars and Biologics
- Biosimilars Development in Markets

GROUP PHOTO | COFFEE BREAK

- Understanding Variability, Stability, and Immunogenicity of Biosimilars

- USFDA Approved Biosimilars
- Vaccines as Biologics in the Era of Pandemic

LUNCH BREAK

- Digital Health
- Drug Delivery Systems for Biologics and Biosimilars

- Frontiers in Biopharmaceutical Development of Biologics and Biosimilars

GROUP PHOTO | COFFEE BREAK

- Innovative Clinical Approach in Biosimilars
- Intellectual Property Rights
- Legislative and Regulatory Pathways for Biosimilars

- Biosimilars in Hematology and Oncology
- Challenges in Biosimilars Pharmacovigilance
- Current Challenges in Developing Biosimilars

CONCURRENT EDUCATIONAL SESSIONS

FRIDAY - OCTOBER 02, 2026

- Globalization of Biosimilars
- Medical Devices and Diagnostics

- Monoclonal Antibody Biosimilars

GROUP PHOTO | COFFEE BREAK

- Nutrition Economics
- Pharmacogenomics of Biologics

- Pharmacokinetics and Pharmacodynamics of Biologics
- Precision Medicine and Advanced Therapies

LUNCH BREAK

- Rare Disease
- Regulatory Updates on Biosimilars

- The Development of Biologics from the Perspective of the Pharmaceutical Industry

GROUP PHOTO | COFFEE BREAK

- The Manufacturing and Quality Assurance Process for Biologics and Biosimilars

- Biology, Chemistry and Biochemistry and Biophysical Concepts of Biologics and Biosimilars

Attending a Conference isn't all about Learning and Networking

DISCOVERING

A right choice of conference destination is an important aspect of any international conference and keeping that in consideration, BIOL-BIOS 2026 is scheduled in the Beautiful city 'Chicago'.

CHICAGO

Chicago holds status as one of the world's most dynamic, diverse, and influential global cities. Known for its power in commerce, finance, technology, education, culture, transportation, and architecture, Chicago consistently ranks among the most important economic and cultural hubs in North America. Arts, business, research, higher education, entertainment, tourism, and logistics are all deeply shaped by the city's influence.

In terms of economic performance, Chicago's metropolitan area is among the largest in the world, with one of the highest GDPs of any city. It is a leading global financial center, home to major exchanges such as the Chicago Mercantile Exchange and the Chicago Board Options Exchange. O'Hare International Airport is one of the busiest in the world by passenger traffic and an essential hub for international connectivity.

Chicago is also recognized as a major center for investment, innovation, and corporate headquarters, hosting dozens of Fortune 500 companies. It has a vibrant cultural scene, with world-renowned museums, theaters, and music institutions, and is considered the birthplace of modern architecture and electric blues.

Higher education and research are central to the city, with globally respected institutions including the University of Chicago, Northwestern University, and the University of Illinois at Chicago.
